

Q2 2022 Small Group product portfolio

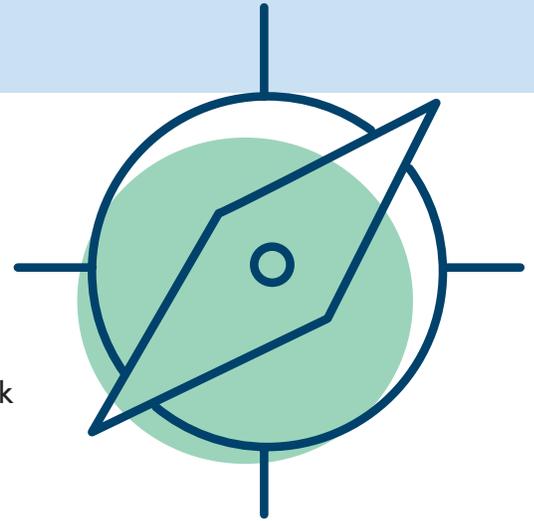

The longest-standing local health plan in Western New York

Proud to be a community-based not-for-profit health plan, employer, and corporate citizen

Everything you're looking for in a health plan

- A network of doctors that recognize and accept Highmark Blue Cross Blue Shield of Western New York inside and outside of Western New York
- Convenient access to medical experts whenever it's needed
- Digital tools and resources that inform and make it easy to manage your health plan
- Membership perks that will keep your employees happy and healthy

And more

- New and innovative approach to managing health care
- Better health solutions to help control costs, increase customer and clinician engagement, and create better health outcomes
- New tools and technologies that help employees put their health first

Network options

With Highmark Blue Cross Blue Shield of Western New York you can be confident that no matter the situation or location, you and your employees will be covered. In-network providers cost an average of 10–16% less, so we make finding one easy.

Flexibility of a local network with POS, HMO, and Apex

Point of Service (POS)/Health Maintenance Organization (HMO)

- More than 700,000 people are enrolled in our POS plans. They're flexible and the most affordable for those who get health care close to home. With a POS plan, your employees have in-network access to 99% of the doctors in our eight-county service area.
- HMO and POS plans offer the same coverage in the service area, but HMO plans have no out-of-network coverage.

Apex

- Apex is a high-performing network made up of primary care providers (PCPs) and specialty groups who consistently deliver high-quality care at lower costs.
- Members pay in-network cost-shares for visiting PCP and specialty groups that meet quality and efficiency standards. All other providers are considered out of network if visited for nonemergency care. Visit bcbswny.com/choose-apex to learn more.
- Available to employers headquartered in Erie and Niagara counties.

Coverage beyond Western New York with PPO and EX

Preferred Provider Organization (PPO)

Our PPO network offers great local coverage and goes the distance with employees who live or travel outside the POS service area.

Expanded network (EX)

- EX network offers great local coverage, plus in-network access to doctors outside our region.
- It works best for those living or working in the eight-county service area, but receiving treatment or services elsewhere. Your employees must choose a participating PCP in our service area who will coordinate care in and outside the region.

Convenient access to medical experts

We have you and your employees covered like no other health plan. Access to doctors and hospitals around the clock can add a tremendous amount of value to the experience you and your employees have with us.

Telemedicine services from Doctor On Demand[®] by Included Health

Illness and accidents can happen any time. Your employees don't have to wait to see a doctor for common issues like allergies, back pain, bronchitis, pneumonia, cold, flu, and sinus infections. Members can also receive behavioral health treatment for anxiety, depression, and more. Telemedicine visits are covered at a \$0 copay for members (subject to deductible on HSA-qualified plans).

Away From Home Care[®]

Access to the health care your employees and their dependents need while living away from home. Care is provided through participating Blue Cross and/or Blue Shield plans in many states and the District of Columbia. Great for students attending school out-of-state, families residing in different service areas, retirees with dual residencies, and members with long-term work assignments.

Available on Platinum Classic, Platinum POS Plus, Platinum Apex Plus, and Gold Classic plans. Employees should call Customer Service to enroll and check eligibility.

One-on-one support

Personal health navigators

Navigators can help find doctors, research costs, schedule appointments, tackle claim and billing problems, and support employees with other issues.

Wellness coaches

Our team of certified wellness coaches meet with your employees by phone or online to identify and reach goals.

Your employees can also engage through the Sharecare app, an advanced, digital coaching tool that helps track real-time care plan progress.

Care management

This team helps those who need complex care because of an accident, organ transplant, life-limiting illness, and more. They discuss options, coordinate care, and help employees use their benefits effectively.

Digital tools and resources

Livongo® helps employees take control of their diabetes

Employees with diabetes who enroll in our Livongo program receive a free diabetic meter, lancets, and unlimited testing strips. They get personalized reports to track progress as well as online education and real-time coaching to better manage their diabetes.

**No cost
to members
or employers**

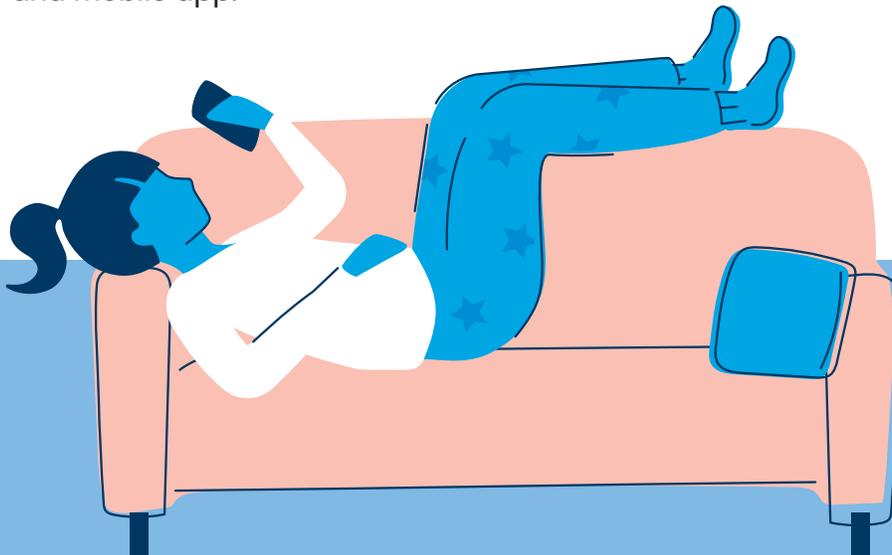

Sharecare

This health and wellness hub allows employees to track their health habits, and monitor sleep, stress, and fitness — all in real time.

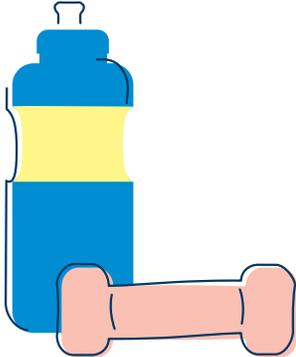

Online tools and member website

No more searching for old files or waiting on snail mail. Your employees' digital ID card, *Find a Doctor* tool, deductible progress, claims status, and more are all available on our website and mobile app.

Membership perks

Good health benefits everyone. Healthy employees are more productive and miss fewer days at work — all contributing to a healthier bottom line for your company.

Dental coverage

Blue Value dental plans have no participation requirements — add to your medical plan or purchase one separately. Groups can choose one Blue Value dental plan to offer their employees. Pediatric dental is offered at no additional charge with all medical plans.

If a member purchases both a medical and Blue Value dental plan, pediatric coverage is included in both. Cost-shares for pediatric services may vary depending on the member presenting their dental or medical ID card at the time of service. These distinctions are outlined below.

Note: Members can receive dental services from a provider who does not participate in the Highmark Blue Cross Blue Shield of Western New York contracted network of providers. Out-of-network services are reimbursed at 100% of the in-network fee schedule (minus the member cost-share) and the nonparticipating provider may balance bill the member for the remainder. For pediatric coverage from a non-participating provider, the medical ID card must be presented.

* Blue Value Dental 3 includes coverage for children up to age 19 for medically necessary orthodontics subject to an out-of-pocket maximum (see Blue Pediatric Benefits) and cosmetic orthodontics (routine braces) subject to a lifetime maximum per child.

** Basic, major, and orthodontic services are subject to the medical deductible on HSA-qualified plans when using the medical ID card. Not subject to deductible on non-HSA-qualified plans.
